### 'E' & 'F' CLASS COURSE PRE-REQUISITES

1. Minimum licence requirement - Ontario Class 'G' Licence (Class G1 & G2 are not eligible)
2. You are required to have a physical for the MTO. Have the doctor fill out the Ministry of Transportation's Medical Form. These forms are available at our office or at the Drive Test Centre. If you are upgrading from another commercial licence, a medical will not be required, unless it is up for renewal anyway.
3. Purchase a copy of the Ministry of Transportation's "Bus Driver Manual" and read it over in preparation for the Ministry's Written Test for your beginner's licence (the test is multiple choice). These books can be purchased at our offices and in bookstores. Check your local Drive Test Centre to see if they sell them there.
4. Take your completed medical form to your local Drive Test Centre (we recommend you make a copy for your files first as the DTC will keep the original), and do the written beginners test. You will be required to pay the DTC a fee of \$103.25 when you do the written test. At that time the DTC will also do a criminal record search on you. Persons with a criminal record are not able to obtain a school bus licence (Class E & B).
