To Whom it May Concern,

I had the pleasure of meeting with Mark Jensen today to discuss a position with our Company as a local AZ driver.

Hutton Transport Limited is a bulk and bag cement trucking business. We have an expanding fleet of 100 tractors which service markets in Southern Ontario, Western New York and Michigan. We are able to offer drivers Ontario only runs.

Upon successful completion of the AZ program at Ontario Truck Driving School and successful completion of our Company written exam and road test we would be happy to extend an opportunity for employment to Mark.

If you have any questions or require any additional information, please feel free to contact me.

Yours truly,

Becky Finch
Operations Manager
